Letter dated the 19th March 1914 from Lr C R Reddy to the Dew

I thank you for your D O No 1516 dated camp Kolar, 17-3-14

Since receiving the G O placing me on special duty, I wrote to your Secretary acquiescing in your judgment that I should complete my special task before being allowed to rejoin the Education Department, but requesting that I may be allowed clerical assistance (to be more precise, a Shorthand writer and Typist) as that would enable me to do my work rapidly and thoroughly, and also six weeks of rest from now in view of my weakened physical condition

I hope you wont think my demands for rest and a Stenographer exorbitant

The G O appears to permit me to work at Mysore, which would be a great convenience as all the materials that I wish to use are here I may put it even more strongly and say that it would be risking to shift me to another place in my present state of health

---

Dewan's reply to the above dated 23rd March 1914

D O

I am in receipt of your letter of the 19th instant I am sorry to hear of your continued ill-health If you are not able to do any work, your best course would be to apply for leave for a month or six weeks before entering on your special work

Under the Government Order, all communications for your requirements in the matter of Stenographer, &c , may be addressed to Mr Balasundaram Iyer, Secretary, L & A

There seems to be no objection to your working at Mysore You may have to come to Bangalore only for consult

If approved the Dy of Edn + the Fy Dept will be consulted
